

How to post a YouTube video on Louisiana-Outdoors.com

1. ITS FREE!
YouTube is a great resource for video sharing. Users can create free accounts and post any size hunting video through YouTube.
2. If you do not have an account go to <http://www.youtube.com/signup>
3. Once you have an account setup, follow the easy instructions by YouTube to upload your video.
 - a. To upload a video, go to My Videos
 - b. Next, Click on the Upload a Video button
 - c. Next fill out the fields in the form. See below as an example

Video Upload (Step 1 of 2)

Title:

Description:

Video Category:

Tags: Tags are keywords used to help people find your video. *(space separated)*

- d.
- e. You then have the options to make the video available to all of the public, set date and location, and allow comments. Set accordingly.
- f. Click on Upload a Video to proceed to step 2.
- g. Click the browse button locate the video on your computer.
- h. Click Upload Video and you are done.

4. After you have successfully uploaded your video, go to that video on YouTube. On the right hand side, locate the embed code. See below.

5. **More From: NMDInc**
6. Copy all of the code.
7. Now back to submitting your story or trail cam, locate the YouTube link field
8. Paste the embed code here. See Below

NEW!
[YouTube Link](#)

```
<parent" width="425" height="355"></embed></object>
```

Copy and paste your Embed Code from [YouTube](#). Please, no videos over 425 pixels in length.

- 9.
10. That's it! Your video will show as part of your story, once successfully submitted to Louisiana-Outdoors.
